Dr. ESENJEE'S'

WONDERFUL RING.

OOD morning, Gentlemen? Do you wish to prevent premature death from diseases, then ask at once for Esenter's WONDERFUL RING? It cures Coughs; Colds, Asthma, Bronchitis, Piles, Liver Complaints within a short period, and rapidly cuts short all attacks of Epilepsy, Spasme, Colic, Palpitation, Hysteria, and it keeps the blood free from all diseases by putting it only on the finger of the left hand. I can strongly state as a means of preserving and restoring health it is unequalled, as it has been used by several European Ladies and Gentlemen with great success, for which I hold several unsolicited testimonials. It is the most wonderful discovery of the day. I have no hesitation in stating before the public that all households should not be without it; and its. price is also very little, only Rs. 1/8 including packing and postage, &c. Dozen Rs. 12/-; ½ dozen Rs. 7/8-. Apply to DR. B. ESENJEE,

The report that I shall make as to the effect of Chinese immigration in the United States, continued Mr Barroso, will possibly come in for consideration in connection with the negotiation of a Beazillan treaty with China on this subject. No terms have yet been proposed for such a treaty. The character of the treaty will depend upon the result of inquiries and investigations made. I find great difference of opinion in the United States in regard to Chinese immigration, and I intend to spend several weeks looking into the matter for myself. I have been fortunate in securing letters of intro- Mr and Mrs Horne Mr and Mrs Warren duction to people who seem inclined to render me all possible assistance in my mission, and I do not anticipate any difficulty. I want to see the Chinase at their work. I want to see them at work in factories if I can, for we have manufactories where they can be useful also if they can adapt themselves to machinery. I also want to Capt. R. A. AndersonMr Hormet talk with some of the San Francisco people N as Ethel Arden. Mr Kahne who make use of Chinese on plantations in Mr Ed. Auguria the Hawaiian islands, for the work there Mr Barbosa must be very similar to that contemplated Mr W. Barraclough Mr McLellan in Brazil. Our planters build houses for Miss Brian their laborers and take care of them in Mrs J. J. Brian other ways. They assign a certain portion Mr C. Brown of sugar ground or a certain number of Mr C. Christensen coffee trees to be cultivated by one or Mr F. Collins more families and pay them according to Miss Dagmar the result of their labors. Some of the Mrs Farmer laborers on Brazilian plantations make Mr E. Fergusson very good wages. The Italians save up un. Mr Flayortero til they have quite a nest-ogg and then go Mr and Mrs C. F.Mr J. Saville Smith back to Italy. Perhaps the Chinese will do the same, but we do not care if they do.

"We do not care for the laboring classes Mr & Mrs Giraudier Mr Alfred Swan to become citizens. It is an easy matter Miss Gregor for them to do so, said Mr Barroso, Mr A. Hannan but the Italians do not care to become Mr J. W. M. Johnson Mr Vivier Brazilians and we do not urge them. Some of the American objections to the Chinese do not affect us in Brazil. We have no labor question in our politics. The laboring classes are more distinct. Lieut.-Col. and MrsMr and Mrs W. J. There will be no one to find fault, however cheaply the Chinese may be willing Mr and Mrs E. D. Mrs Van Nicrop to work. We have plenty of room for Barbonr them and there is a public tendency to Miss Barbour welcome them. We hope to be able to Mr Boattio draw Chinese from the country districts of Mr S. L. Benjamin Mr F. Saunders that Italian town laborers are not much Mr Hart Buck good in the fields. I am told that there Rev. R. F. Cobbold Mr and Mrs F. O. are districts in China where a superior class | Mr Cochrana of field laborers are obtainable, and I hope Mr and Mrs C. C. Mr C. S. Sharp to be able to discover this favorable locality and how to secure immigrants there. Mr J. B. Coughtrie from. I have already seen something of Mr Geo. Fenwick Mr Taylor the Chinese in and near Los Angelos, and Mr and Mrs Harding have been particularly impressed with the miserable way in which they live. The poorer labourers in Brazil have better places to live in than the best Chinese hovels I have seen here. But I doubtless have much to see yet, and I am willing to
